PROJECTS

The Barstool | [Github](#) | [Live Site](#)

- A site where users' searches for cocktail recipes based on their liquor of choice. A list of cocktails and their ingredients along with a link to a Youtube tutorial are presented with an option to save the drink to the users' local storage.
- Tech Stack: HTML, CSS, Bootstrap, JavaScript, and two different third-party API's

Smorgasbord | [Github](#) | [Live Site](#)

- A site to view restaurant recommendations posted by users. Users' can then login and post their own restaurants, view more details about restaurants posted by others, and leave reviews when they try recommendations.
- Tech Stack: JavaScript, jQuery, ORM, Express, Express Handlebars, mySQL, Sequelize

The Dating Mapp | [Github](#) | [Live Site](#)

- Dating Mapp is a website developed to help users find their one-and-only! Logging in, users will take a short personality quiz, before being transferred to a page where they can see others who share their interests, as well as a location suggestion for where they could meet
- Tech Stack: React, React-Bootstrap, MongoDB, Mongoose, Express, Google Maps API

EXPERIENCE

Sales Lead, Express. Minnetonka, MN

Nov. 2021- Nov.2022
- Partner with the store manager to create action plans that drive sales and deliver results.
- Collaborate with the store manager to set clear goals for the team. Follow-up with team and delegate tasks aimed at individual development.
- Recruit staff for the store: traditional methods, word of mouth, recommendations, friends and family.
- Act as safety and security captain ensuring processes and procedures are followed at all times throughout the day.
- Cultivate a workplace that is inclusive and diverse.

Shift Supervisor, Starbucks. Maple Grove, MN

Jun. 2018 – Nov. 2021
- Motivate and inspire the store team through Starbucks culture and values. Recognize the barista team for accomplishments by celebrating wins, and provide feedback when necessary.
- Champion rewards program delivering a unique experience to the Starbucks customer. Train and develop associates in delivering information about the rewards program to our guests.
- Monitor and control inventory - minimizing waste, and capitalizing on sales and profit potential.
